<a href="#">942132001</a>		Hirschmann Spider III Unmanaged DIN Rail Mount Ethernet Switches, Standard Line Fast Ethernet Ports, 5 Twisted Pair RJ45 Copper Ports, -0 C to 60 C Temperature Range, CE, FCC, EN 61131/60950 cUL61010 Approvals, Standard Voltage Range 12/24V
<a href="#">942132002</a>		Hirschmann Spider III Unmanaged DIN Rail Mount Ethernet Switches, Standard Line Fast Ethernet Ports, 8 Twisted Pair RJ45 Copper Ports, -0 C to 60 C Temperature Range, CE, FCC, EN 61131/60950, cUL61010 Approvals, Standard Voltage Range 12/24V
<a href="#">942132003</a>		Hirschmann Spider III unmanaged DIN rail mount Ethernet Switches, standard line Gigabit Ethernet ports, 5 twisted pair RJ45 copper ports, -0 C to 60 C temperature range, CE, FCC, EN 61131/60950, cUL61010 approvals, standard voltage range 12/24V
<a href="#">942132004</a>		Hirschmann Spider III unmanaged DIN rail mount Ethernet Switches, standard line Gigabit Ethernet ports, 8 twisted pair RJ45 copper ports, -0 C to 60 C temperature range, CE, FCC, EN 61131/60950, cUL61010 approvals, standard voltage range 12/24V
<a href="#">942274002</a>		Hirschmann Spider III Standard Line Unmanaged, Industrial ETHERNET Rail Switch, 10/100/1000 Mbit/s Ethernet, 5x 10/100/1000 Base-TX, 4x PoE/PoE+, 12-24VDC
<a href="#">942274003</a>		Hirschmann Spider III Standard Line Unmanaged, Industrial ETHERNET Rail Switch, 8x 10/100/1000 BASE-TX, 8x PoE/PoE+, 12-24VDC
<a href="#">942170002</a>		Hirschmann Bobcat Series Rail Switch, 100Mbit/s Ethernet ports, 8 FE Ports, 8-Gb ports, (10/100MBit/s), 0C to 60C Temp Range, 12-24 VDC, IP20 Plastic Housing, HiOS Layer 2, Standard Approvals, UL Rated
<a href="#">943434023</a>		Hirschmann 16 Port 10/100 RJ45 DIN Rail Advanced Managed Switch preconfigured for EtherNet/IP with redundant power and fault relay, includes VLAN supports, CLI, RSLogix5000 integration, & accepts USB ACA Config adapter
<a href="#">942103999-1</a>		Hirschmann + EagleOne Industrial security router, 2 RJ45 10/100 ports, 12-48VDC power, latest firmware release, NAT Forwarding
