PNEUMATICS | SENSORS | CABLES & CONNECTORS | LED LIGHTING | MACHINE SAFETY | NETWORKS & HMI'S
CABLE MANAGEMENT | PANEL COMPONENTS | MOTION | MACHINE VISION & LIGHTING | SCANNERS & RFID

BALLUFF
Proximity, photoelectric and cylinder sensors, industrial RFID, scanners, remote power systems, linear position transducers, IO-Link, industrial machine vision and condition monitoring

BANNER
Photoelectric sensors, vision sensors, safety light curtains, interlocks, cycle start buttons, controllers, EZ-lights, stacklights, LED lighting, scanners & RFID, and wireless products

lumberg automation
A **BELDEN** BRAND
Molded watertight connectors, distribution boxes industrial networks, ethernet connectors, IO-Link, and power distribution

SMC
Pneumatic valves, actuators, air preparation, fittings, tubing, vacuum products and grippers

AlphaWire
Flexible automation and control cable.

BELDEN
Wire and cable, ethernet, data bus, VFD, control, power, electronic, and high flex

BRADY
Labeling, printers and identification systems

DYNICS
Industrial computers, enterprise software, large format displays, and industrial monitors

EXLAR
Electric linear actuators, and servo motors

HIRSCHMANN
A **BELDEN** BRAND
Industrial ethernet and networking products

IBOCO
Panel components, plastic wiring duct, and cable ties

ILME
Multi-pole rectangular connectors

legrand
Cable management, wire mesh baskets and ladder trays

Lenze
IP20/IP66 drives, servo controllers and motors

LÜTZE
SYSTEMATIC TECHNOLOGY
Control cable, power supplies, circuit protection, and relays

MENCOM CORPORATION
Panel interface connectors, and cable glands

Brand	Products	Categories
MERSEN	Fuses, fuse blocks, disconnects, power distribution blocks, and surge arrestors	Panel Components
MICRON	Industrial control transformers	Panel Components
murrSystems — Simply Smart Systems	Flexible conduit, cable entry systems, cable drag chain, inkjet style labeling system, and robotic dress packs	Cable Management, Panel Components
NIEDAX INC.	Cable tray, metal wire duct, and ladder trays	Cable Management
Noark	Molded case circuit breakers, miniature circuit breakers, motor contactors, manual motor starters, and pilot devices	LED Lighting, Machine Safety, Panel Components
Pro-face by Schneider Electric	HMIs, operator interface with PLC	Networks & HMI's
PROGLOVE	Wearable industrial barcode scanners.	Scanners & RFID
RITTAL	Enclosures and air conditioners	Panel Components
SATECH Modular Machine Guards	Modular machine guarding	Machine Safety
SCHMERSAL THE DNA OF SAFETY	Safety interlocks, mats, edges, and relays	Sensors, Machine Safety
Swivellink INTELLIGENTLY DESIGNED	Mounting hardware for vision systems, lighting, and sensors	Machine Vision & Lighting
TELEDYNE DALSA Everywhereyoulook	Industrial machine vision systems	Machine Vision & Lighting
Tolomatic EXCELLENCE IN MOTION	Electric linear actuators, screw drive actuators, gear boxes, and brakes	Motion
Weidmüller	Terminal blocks, power supplies, cable entry systems, ethernet products, circuit protection, wiring ferrules, and IP20 I/O modules	Panel Components
WEINTEK	HMI's, operator interface with PLC and IoT	Networks & HMI's
WON LINEAR MOTION SYSTEM	Linear rail, carriages, and shafting	Motion
WORLDWIDE ELECTRIC CORPORATION	Electric motors, motor controls, and gear reducers	Motion
ZIMMER group	Handling, dampering technologies, and tool changers	Pneumatics, Sensors, Motion
